

Charlie Vettiner Ladies Golf Club
Fall Meeting
October 11, 2017

JoDee Elson, Club President, opened the meeting by having the minutes of the spring meeting approved and seconded.

Kathi McKeown gave a treasurer's report. The club has just under \$400 in its account for next season.

JoDee thanked the ladies who had played on the interclub team this past year and encouraged participation next year.

An informal poll was taken of the ladies present as to a preference for a shotgun start (16 for) versus using tee times (5 for). Mark will go over the numbers this winter and further discussion will be continued next spring.

JoDee thanked Mark and his staff for their great service.

JoDee asked if anyone was willing to step up to take a position on the executive board. Liz Catlett and Chris Davidson agreed to be co-presidents, Kathi McKeown will continue to be the treasurer, and Elaine Hartmann will remain as the secretary on the CVLGC Executive Board for the 2018 season. New for the 2018 season, a game committee will be set up to help with the organization and implementation of the weekly games.

Awards for the past season were passed out by JoDee and Sandra Hartmann.
